

Boston Dec. 19. 46

Dear David I will write you by a ship that
is to sail in a few days. I send with
this four packages of newspapers & pamphlets.
If they dont come to hand spontaneously
ask for them for I am afraid a 4
months voyage may test the honesty of the
mail bag. I am established for the winter
in Boston I have no usual more than I can
get things with to do.

Truly yours
Peter.

Wessel has taken me by surprise.
